Africa, unite
Cause were moving right out of babylon
And were going to our fathers land

How good and how pleasant it would be
Before God and man, yeah
To see the unification of all africans, yeah
As it's been said already let it be done, yeah
We are the children of the rastaman
We are the children of the higher man

Africa, unite cause the children wanna come home
Africa, unite cause were moving right out of babylon
And were grooving to our fathers land

How good and how pleasant it would be
Before God and man
To see the unification of all rastaman, yeah

As it's been said already let it be done, yeah
I tell you who we are under the sun
We are the children of the rastaman
We are the children of the higher man

So, africa, unite, africa, unite
Unite for the benefit of your people
Unite for it's later than you think

Unite for the benefit of your children
Unite for it's later than you think
Africa awaits it's creators, africa awaiting it's
Creators
Africa, you're my forefather cornerstone
Unite for the africans abroad, unite for the africans a
Yard
Africa, unite
