All the girls, wish to be sexy  
Pretty red dresses & high heels  
Put lip stick on and me high  
How gorgeous I am

I really love myself  
Let's just be super cute girls  
I don't need expensive things  
You want me but you can't have it

Lady come on join the party "dance dance"  
Show me how you're "moving"  
They have a crush on you  
Baby you're enslaved by my charm "no no"  
I don't mind "ah ah"  
Nobody can stop me

Most of the girls wanna have fun  
Going to clubs in the night time  
My mom was always angry at me  
But when she was young, she was hot!!

I love myself  
Let's just be super cute girls  
I don't need expensive things  
You want me but you can't have it

They gave me diamond ring "bling bling"  
But they're nothing "to me"  
Cause I'm much much more  
Yes, you can't buy me "no no"  
Different from "the others"  
Nobody can stop me

Lady come on join the party "dance dance"  
Show me how you're "moving"  
They have a crush on you  
Baby you're enslaved by my charm "no no"  
I don't mind "ah ah"  
Nobody can stop me

They gave me diamond ring "bling bling"  
But they're nothing "to me"  
Cause I'm much much more  
Yes, you can't buy me "no no"

Different from "the others"  
Nobody can stop me
