Everything"

Music: Nikos Karvelas

Lyrics: Anna Vissi

I can hear my heart breaking  
As I open the door  
I can feel the tears  
On my face burn like fire  
As I look in your eyes  
And I know  
I'm still in love withâ€¦

Everything I hate  
Everything you do  
Everything I fear  
Everything on you

I can feel my life ending  
As a whisper goodbye  
And I know  
I'm still in love withâ€¦

Everything I hate  
Everything you do  
Everything I fear  
Everything on you

I can't believe I still need you  
I can't believe I still want you  
I can't believe life means  
Nothing without you  
Baby I'm still in love withâ€¦

Everything I hate  
Everything you do  
Everything I fear  
Everything on you

I'm in love withâ€¦

Everything you are
