No I didn't anticipate this  
No it wasn't supposed to end like this  
But something inside  
Holds on so deep so tight  
Have to decide  
To give up this fight.

CHORUS:

But I can feel you all around me  
Sounds of love still resounding  
And I'm praying to you  
Forgive me this  
I look to heaven and  
Fall down on my knees  
Look at my hands up  
Hope you will believe and  
I'm praying to you forgive me this.

You, well you never thought  
It's gonna happen to you.  
Youth is dangerous  
When the heat of passions rules  
And if I could, well I would  
Have done it right  
I toss and turn  
When I think of what  
You might have looked like

CHORUS:

But I can feel you all around me  
Sounds of love still resounding  
And I'm praying to you  
Forgive me this  
I look to heaven and  
Fall down on my knees  
Look at my hands up  
Hope you will believe and  
I'm praying to you forgive me this.

In my dreams I see you safe  
Safe from harm.

In these fields if heaven you're free  
Free to run oh oh oh

CHORUS:

But I can feel you all around me  
Sounds of love still resounding  
And I'm praying to you  
Forgive me this  
I look to heaven and  
Fall down on my knees  
Look at my hands up  
Hope you will believe and  
I'm praying to you forgive me this.

I can see you  
I can hold you  
I can feel you  
I can touch you

And I'm praying to you forgive me this
