Tonight I wanna give it all to you  
In the darkness there is so much I wanna do  
And tonight I wanna lay it at your feet  
Cause Girl I was made for you  
And girl you were made for me

I was made for lovin' you baby  
You were made for lovin' me  
And I can't get enough of you baby  
Can you get enough of me

Tonight, I wanna see it in you eyes  
Feel the magic there's something that drives me wild  
And tonight, we're gonna make it all come true

Cause girl you were made for lovin' me  
And girl I was made for you

I was made for lovin' you baby  
You were made for lovin' me  
And I can't get enough of you baby  
Can you get enough of me  
I was made for lovin' you baby  
You were made for lovin' me  
And I can't get enough of you baby  
Can you get enough of me
