Step back!
I'm the Queen of the night
Everybody gets down on me
It feels so good to be a bad girls.

Here comes my prince. He is so hot!
Your skin, your lips, your body
I am so crazy about you

My gush you seduce me
Baby, hold on to my precious body
Darlin' please satisfy my filthy desire

Burn my eyes, burn my blood
Burn it, everything you want
Break my heart, break my love
Baby stab me with your knife
Kiss me, feel me
Oh I don't want you to stop
Watch me, taste me
I'm addicted to you

More deeper, more harder
Your heart is pounding on me
It feels so good to be a girl

Tell me is this a dream
Don't wake me up forever
Take away pain with your gentle kiss

My gush you seduce me
Baby, hold on to my precious body
Darlin' please satisfy my filthy desire

Burn my eyes, burn my blood
Burn it, everything you want
Break my heart, break my love
Baby stab me with your knife
Kiss me, feel me
Oh I don't want you to stop
Watch me, taste me
I'm addicted to you

Burn my eyes, burn my blood
Burn it, everything you want
Break my heart, break my love

Baby stáb me with your knife
Kiss me, feel me
Oh I don't want you to stop
Watch me, taste me
I'm addicted to you
