What will it take to get over you
What will it take until this broken heart of mine starts
beating again
What will it take until I can really get you
Out of my system completely
Out of my system forever
Out of my system
And start to live again

'Cause you 're the sweetest thing that I have ever
known
And I find it hard to fight you
Yes, you 're the sweetest thing that I have ever known
But I will learn to live without you

Baby, baby, baby, baby

Chorus:
I'm gonna kick the habit
And live without your love
Kick the habit
Baby, I'll be strong
I'm gonna kick the habit
And live without your love
Kick the habit
Baby, I'll be strong
Keep me going on...

How can I stop thinking about you
How can I stop the tears
How can I stop myself from falling apart
What do I have to do to break away from the past
Pick up the pieces, forget you
Pick up the pieces, and walk on
Pick up the pieces
And learn to live again

'Cause you 're the sweetest thing that I have ever
known
And I find it hard to fight you
Yes, you 're the sweetest thing that I have ever known

But I will learn to live without you

Baby, baby, baby, baby

Chorus
