Don't say it's like a fantasy
When you know this is how it should be

You kiss me
I'm falling
Can you hear me calling?
You touch me
I want you
Feels like I've always known you

Chorus:
On a night like this
I wanna stay forever
On a night like this
Just wanna be together
On a night like this

Now I'm getting closer to you
Hold me, I just can't be without you

You kiss me
I'm falling
It's your name I'm calling
You touch me
I want you
Feels like I've always known you

Chorus

Seems I've known you a lifetime...
Now it's time to make you mine...
On a night like this
On a night like this...

Chorus
