nowhere to go  
nagai michi wo  
aruki nagara tsubuyaita  
konna watashi de  
gomen ne to  
mujaki na butterfly  
fly into the blue sky

hitori de kanashimi ni kure  
koboreru namida tsumetakute  
amari ni nagai yamiyo ga

kanashisugite kurushikute  
subete nagedashita  
demo anata wa aishite kureta

kiss me and stay with me  
towa ni saku hana  
awaku hakanaku tsuyoku

how could you smile for me  
nani mo nakute ii  
zutto soba ni ite hoshii  
zutto soba de stand by me

sotto hoho wo nadeta

how could you smile for me  
nani mo nakute ii  
zutto soba ni ite hoshii

kiss me and say goodbye  
tozasareta hana yowaku  
setsunaku hibiku

how could you cry for me  
kataranakute ii  
zutto soba ni ite hoshii  
zutto soba de smiling for me
