Ki eginan ta matia mou ouranos  
Ki egine i kardia mou mavro sinnefo  
Ki egine i thlipsi keravnos  
kai sta dyo to myalo mou skistike  
Ki ola mou ta dakrya gia sena mia vrohi  
ki i vrohi ena potami pou ksehilise  
kai mas paresire mazi...

Thanatos einai i agapi otan mas enoni  
Thanatos rinai i agapi otan telioni  
Thanatos itan i agapi sou gia mena  
Enas thanatos tha'nai ki agapi mou gia sena  
Enas thanatos  
ki ena potami apo dakrya gia dio...

Miazi me ikona magiki  
me fotografia trisdiastati  
i morfi sou toso kontini  
ki istera na einai toso apomakri  
kai i agonia mou meteori ki afti  
sa na vlepou apo to telos tin parastasi  
pou skinothetisame mazi
