My reality is something weird  
My unfriendly smile on my way  
Nothing new this wearisome day

This world is full of narcissist  
The girls dressed are just a put-on  
Oops! I'm all thumbs, I'm not like you

Everybody's raping me. everybody's lying to me  
Everybody's looking at me. everybody's laughing at me  
So what! don't care what people say.

I'm going my way. I believe in my way  
I'm better than you guys  
I'm living for my sake, not for their sake, yeah!  
I'm finding my way. I'm finding my love  
I'm not stupid like you  
All that I need is, I only need is selfless love  
All I don't need is, I only need is selfless love

They think I'm a lucky girl  
But I'm just doing what I want  
Hey everybody, they're jealousy about me

You guys are wrong, be truth to yourself  
Throw your guns & weapons right now

Let's enjoy your beautiful life with me

Everybody hates me. everybody's waiting for me  
Everybody's hurting at me. everybody's hunting for me  
So what! please leave me alone!

I'm going my way. I believe in my way  
I'm better than you guys.  
I'm living for my sake, not for their sake, yeah!  
I'm finding my way, I'm finding my love  
I'm not cheap like you guys  
All that I need is, I only need is selfless love  
All I don't need is, I only need is selfless love

I'm going my way. I believe in my way

I'm better than you guys  
I'm living for my sake, not for their sake, yeah!  
I'm finding my way. I'm finding my love  
I'm not stupid like you  
All that I need is, I only need is selfless love  
All I don't need is, I only need is selfless love
