(Oh, oh, oh, oh)

(Oh, oh, oh, oh)

[Verse #1]

It doesn't matter to me

If you don't see what I see

And you may not understand, no, no

Why life has thrown you this hand

And I remember more than ever

We didn't have to fight to be together

We used to hang around

Grooving to a different sound

But things have changed and now we're moving on

[Chorus]

And I believe it's time to walk away

And it ain't easy

The sun will rise but on another day

But you know

Like the water finds the sea

Your soul will always flow right back to me

Like a river, a river (Oh, oh, oh, oh)

Right back to me

Like a river, a river (Oh, oh, oh, oh)

[Verse #2]

It's so sad but it's true

No one can fix this but you, no, no

Although you've done nothing wrong

We just can't carry on, no

[Chorus]

And I believe it's time to walk away

And it ain't easy

The sun will rise but on another day

But you know

Like the water finds the sea

Your soul will always flow right back to me

Like a river, a river (Oh, oh, oh, oh)

Right back to me

Like a river, a river (Oh, oh, oh, oh)

[Bridge]

(Oh!) I know I gotta set you free

(Ay!) Whatever will be will be

(Oh!) I know I gotta set you free

(Ay!) Whatever will be will be, yeah

[Chorus]

And I believe it's time to walk away

And it ain't easy

The sun will rise but on another day (The sun will rise)

But you know

Like the water finds the sea (Oh)

Your soul will always flow right back to me

Like a river, a river (Oh, oh, oh, oh) (Like a river now)

[Chorus]

And it believe it's time to walk away (Oh)

And it ain't easy

The sun will rise but on another day (Yay)

But you know

Like the water finds the sea

Your soul will always flow right back to me

Like a river, a river (Oh, oh, oh, oh)

Right back to me

Like a river, a river (Oh, oh, oh, oh)

[Outro]

Right back to me

Like a river (Oh, oh, oh, oh)

Mmm, yeah, yeah

Like a river
