[Verse #1]

Tell me something I don't know
Come and stand here right beside me
I'll put my hands next to yours now
I won't make it a choice for me

[Pre-Chorus]

Cos see
I'm not gonna hurt you anymore

[Chorus]

Cos time and time again
I find you here
And give me time to think
I can make that change

[Verse #2]

You watch me all over again
Hoping I change my ways
I wanna be that girl you knew
But she's been gone now

[Pre-Chorus]

So please
Know I don't wanna hurt you anymore

[Chorus]

Cos time and time again
I find you here
And give me time to think
I can make that change

[Bridge]

I'm gonna fix your heart
Like I said I would
I'm gonna give you back
To a world I knew
Yeah, yeah, yeah

[Chorus]

Cos time and time again

I find you here
And give me time to think
I can make that change

[Chorus]
Cos time and time again
I find you here
And give me time to think
I can make that change
