[Verse #1]

I remember vividly, you said you're done with me  
So you're coming back and saying that you're missing  
me  
Well, that's not okay, no, no  
You don't realise how much you hurt me  
You stabbed me in the back one too many times before  
It's your turn to pay, mm, mm

[Pre-Chorus]

(No) No more lying, baby  
(No) No more shedding tears  
(No) No more feeling this way  
Wishing you were here

[Chorus]

(Baby, baby, baby, babe)  
Now you feel like running  
(Baby, baby, baby, babe)  
When you said it was nothing  
What if I didn't love you anymore  
Maybe you'd feel the way I felt before  
That love's a bitch in the end

[Verse #2]

You took my trust away in more than just one way  
And now a new man is so hard to even contemplate  
All cos of you, mm-hmm  
But this won't set me back, I'm not afraid of that  
It's gonna take a little longer to get right on track  
But that's what I'll do, ooh, ooh

[Pre-Chorus]

(No) No more lying, baby (No more lying)  
(No) No more shedding tears (Shedding tears)  
(No) No more feeling this way (No)  
Wishing you were here

[Chorus]

(Baby, baby, baby, babe)  
Now you feel like running

(Baby, baby, baby, babe)  
When you said it was nothing  
What if I didn't love you anymore  
Maybe you'd feel the way I felt before  
That love's a bitch in the end

[Instrumental]

[Bridge]  
No more heartbreakers, no  
Cos I'm stronger than I've ever been  
Nothing's gonna get in my way

[Chorus]  
(Baby, baby, baby, babe)  
Now you feel like running  
(Baby, baby, baby, babe)  
When you said it was nothing  
What if I didn't love you anymore (Oh, yeah)  
Maybe you'd feel the way I felt before  
That love's a bitch in the end

[Chorus]  
(Baby, baby, baby, babe)  
Now you feel like running  
(Baby, baby, baby, babe)  
When you said it was nothing  
What if I didn't love you anymore (Oh, yeah)  
Maybe you'd feel the way I felt before  
That love's a bitch in the end

[Outro]  
Yeah, love's a bitch in the end, yeah  
Ooh, no, no, no  
That love's a bitch in the end  
Oh, yeah, yeah
