[Verse #1]

I didn't know what to say to you
To let you know I needed you
You left me standing out on my own
Not knowing that I felt alone

[Pre-Chorus]

Everything went so fast
Everything went from right to wrong like that
Now when I'm looking back
I will let you know

[Chorus]

That it's not enough
To say you love me
No words can make amends
No, it's not enough
To say you're sorry
No words can help us mend

[Verse #2]

I blame myself for not telling you
Trying to hide the truth
If only I could've trusted you
Believed in you, I wanted to

[Pre-Chorus]

Cos everything went so fast
Everything went from right to wrong like that
Now that I'm looking back
I will let you know

[Chorus]

That it's not enough
To say you love me
No words can make amends
No, it's not enough
To say you're sorry
No words can help us mend

[Bridge]

I'm trying to move on now
Trying to figure out
A way to make it through
These hard times without you

[Instrumental]

[Chorus]
That it's not enough
To say you love me
No words can make amends
No, it's not enough
To say you're sorry
No words can help us mend
