I try to lose myself
And drown these feelings out

Living for today
Can make you feel alright
I can't remember
What I did last night

One day I'm over you
Next thing you're all I want
My head is spinning round
What is this about

[Chorus]
Will someone
Show me the right way
Will someone
Show me the right way

I try to fool myself
And everybody else

I wanna be someone
Who knows what they want
Tired of hanging on
To every word you've got

I will get over you
I'm sure it's for the best

How am I supposed to know
How to love you less

[Chorus]
Will someone
Show me the right way
Will someone
Show me the right way

[Instrumental]

[Interlude]

Will someone
Show me the right way
Will someone
Show me the right way

[Chorus]
Will someone
Show me the right way, ooh, yeah
Will someone
Show me the right way, oh, no
Will someone
Show me the right way

[Outro]
Ooh, ooh
Show me the right way
Ooh, ooh
Show me the right way
