Kiss me
Mmm, kiss me
I need somebody's touch
Take your time with me, don't rush
If you wanna kiss me

Stand with me
Don't expect my heart or my room key
Won't give you full control
I'll share my body and soul
If you stand with me

[Chorus]
Oh, I don't like goodbyes
Oh, oh, oh, oh
So we won't say goodbye
No, oh, oh, oh
Babe, don't go

Just, oh, kiss me
Show me you want me
I haven't felt this way before
I need someone to adore me
Show me you want me

I'll let you hold me
If you tell me you love me
It's not something you have to swear
I just need someone to care
Tell me you love me

[Chorus]
Oh, I don't like goodbyes
Oh, oh, oh, oh
So we won't say goodbye
No, oh, oh, oh
Babe, don't go

I don't like goodbyes
No, oh, oh, oh
So we won't say goodbye
Oh, oh, oh, oh
Babe, don't go

Just, oh, kiss me

Whoa, kiss me
I need somebody's touch
Take your time with me, don't rush
If you wanna kiss me
