The last time
I called you
We were young and
In to the same cartoons

I guess time left
And I missed you
Talking like brothers
In winter
With cars and the moon

It's strange to see you grown
Not trying to pretend with me
And I guess we're both alone
And I
I don't mind being friendly

It's been so long since I've seen you
It's been so long since I've seen you
Have I changed?
'Coz you've changed
From the boy that I once knew
And it's been so long since I've
Seen you
(X2)

Now we worry
About money
Loans
High interest rent
Don't remember
Time Better
Than material things that we've spent
Think things over
Through and through
Now we all smoke and drink and fight
I know what the younger in me would choose
But we grow up and we get misused

Oh it's been so long since I've seen you
It's been so long since I've seen you
Have I changed?

Coz you've changed
From the boy that I once knew
And it's been
It's been so long since I've seen you

Seen you
Seen you
Seen you

Same cartoons
