Tonight let's rid ourselves of love  
Our lives are ending in the rain along with  
a bottle and my red dress on

oohh the blood is rushing through our skin  
I don't know what's happening  
but I'm losing my soul-o-o

oohh I found the word my love again  
let's woo-oo-oo  
let's woo-oo-oo

Let's fall in love again, love again  
will we woo-o-all we've done is  
love again  
love again  
we get on until the break of dawn

So don't let me down  
and don't shut me out  
no don't let me down

I've got your eyes you've got my lips  
The room is dark  
But the moon is tricky, there you'll see  
Enough to take my red dress off

oohh the blood is rushing out with him  
I don't know what's happening  
but I feel myself blow

oohh I found the word my love again  
Let's woo-oo-oo  
Let's woo-oo-oo  
Let's fall in love again, love again  
will we woo-o-all we've done is  
love again  
love again  
we get on until the break of dawn

So don't let me down  
And don't shut me out

No don't let me down

House is empty, no one's watching  
Kiss me once you never stop please  
Angels bleed and fall in silence  
Everything feels right with youuuu oh

So don't let me down  
and don't shut me out  
no don't let me down  
and don't shut me out  
no don't let me down

Let's fall in love again, love again  
will we woo-o-all we've done is  
love again, love again  
we get on until the break of -  
love again, love again  
will we woo-o-all we've done is  
love again, love again  
we get on until the break of dawn

So don't let me down  
and don't shut me out  
no don't let me down
