

Automatic Loveletter "Heart Song"

Visit "[Heart Song](#)" on MotoLyrics.com

Hey babe, I got my eye on you
Standing there on Baker Avenue
I'm walking dead, yeah, I was shot down
Love at first sight ain't messing around
Now, you take my hand and you lead me to dance
Cinderella's story ends with a kiss
The lights go out, and it's last call
Maybe next time, I'll look before I fall

And that's when you shot through my heart
Whoa, whoa
Well, you had me right from the start
Whoa, whoa
A critical shot to the heart
Whoa, Whoa
Now, my whole world's falling apart
Whoa, whoa
'Cause you shot me straight through my heart

No satisfaction, no guarantee
All I know is I feel you in me
I look around, this place is a mess
I feel the air through the holes in my dress
Now, it's so damn cold here in my soul
And you'll never know how far I'd let you go
Downtown, love never lasts
And there's no way you can prepare for the crash

And that's when you shot through my heart
Whoa, whoa
Well, you had me right from the start
Whoa, whoa
A critical shot to the heart
Whoa, whoa
Now, my whole world's falling apart
Whoa, whoa
'Cause you shot me straight through the heart
Na na na na, Na na na na
Na na na na
Whoa
Na na na na, Na na na na
Na na na na, Na na na na

[Instrumental]

You broke my heart and threw it on the floor
Saying, "I'm not gonna come back no more,"
(no more.)

You broke my heart and threw it on the floor
Saying, "I'm not gonna come back no more,"
(no more.)

You broke my heart and threw it on the floor
Saying, "I'm not gonna come back no more."
(No.)

You broke my heart and threw it on the floor
Saying, "I'm not gonna come back no more,"

And that's when you shot through my heart.

Whoa, whoa

Well, you had me right from the start

Whoa, whoa

A critical shot to the heart

Whoa, whoa

You knew I was falling apart

Whoa, whoa

'Cause you shot me straight through the heart

Na na na na, Na na na na

Na na na na

Na na na na, Na na na na

Na na na na

Whoa.

Na na na na, Na na na na

Na na na na

Na na na na, Na na na na

Na na na na, Na na na na

Whoa, whoa.
