This is as quiet as it gets
Hush down now, go to sleep
We were once perfect, me and you
Will never leave this room

Hush, you color my eyes red
Your love's not live it's dead
This letter's written itself
Inside out again

When rivers turn to roads
And lovers become trends
Hush, this is where it ends
This is where it ends

This is the calming before the storm
This absolution is always incomplete
It's always bittersweet

Hush, you color my eyes red
Your love's not live it's dead

This letter's written itself
Inside out again

When rivers turn to roads
And lovers become trends
Hush, this is where it ends

I won't make a sound so you don't wake
You don't wake, you don't wake
You don't wake

Hush, you color my eyes red
Your love's not live it's dead
This letter's written itself
Inside out again

When rivers turn to roads
And lovers become trends
Hush, this is where it ends
Hush, hush, hush, hush

This is where it ends
