(verse 1)

Have you ever seen the sky so beautiful, colorful, wide  
and wonderful

Have you ever felt the sun shine so brilliantly, raining  
down over you and me

Have you ever wanted more? (more than more)

(chorus)

You've got to keep your mind wide open  
all the possibilities

You've got to live with your eyes open  
believe in what you see

(Verse 2)

Think of all the days you've wasted worrying,  
wondering, hopelessly hoping

Think of all the time ahead, don't hesitate, call too late,  
no its not too late

Have you ever wanted more? Don't you know there's so  
much more

(chorus)

You've got to keep your mind wide open  
all the possibilities

You've got to live with your eyes open  
believe in what you see

(bridge)

Tomorrows horizons

Full of surprises

Don't let them change your dreams to hate

(chorus)

You've got to keep your mind wide open  
all the possibilities

You've got to live with your eyes open  
believe in what you see

You've got to keep your mind wide open  
all the possibilities

You've got to live with your eyes open

believe in what you see  
believe in what you see  
believe in what you see
