Have you ever seen the sky  
So beautiful, colorful, wide and wonderful

Have you ever felt the sunshine  
So brilliantly raining down over you and me

Have you ever wanted more  
Wanted more

[CHORUS:]

You've got to keep your mind wide open  
All the possibilities  
You've got to live with your eyes open  
Believe in what you see

Think of all the days you've wasted  
Worrying, wondering, hopelessly hoping

Think of all the time ahead  
Don't hesitate, contemplate  
No, it's not too late

Have you ever wanted more  
Don't you know there's so much more

[CHORUS:]

You've got to keep your mind wide open  
All the possibilities  
You've got to live with your eyes open  
Believe in what you see

Tomorrow's horizons,  
Are full of surprises,  
Don't let them take  
Your dreams away

[CHORUS:]

You've got to keep your mind wide open  
All the possibilities  
You've got to live with your eyes open  
Believe in what you see  
You've got to keep your mind wide open

All the possibilities  
You've got to live with your eyes open  
Believe in what you see  
(You've got to keep your mind wide open)  
Believe in what you see  
(You've got to live with your eyes open)  
Believe in what you see
