Uproar!
Riotous fury
Furore
I of the storm
Asking for more
Calling for more
Making the most
Settle the score
Make it stick
Cut to the quick
Armed with fire
Implore!
Wealth is another spelling of the law
More
More
Calling for more!
Vengeful flames

Laid at your door
Burn!
Burning the silence
That's cut to the core
Eye of the storm
Rain down!
Drown
Worn
Warn
Tearing it down!
Chain of thought
Chains of thought
Everything
Rationed and rational
Coming to naught
Down
Tear it down!
