Broken heart - unbroken spirit
In pain again
Miss you, can't kiss you

I pursue you
But then I loose you
What a long trip it's been
Unravelling the dream

I've lost you've lost me
Can't find you anywhere
You said you'd been
Living without you is hard for me to do
And I always wonder why
You have to go away
Living without you is hard for me to do
Living without you

Come and see me soon
In my lonely room
Sensible people
They stay the same

I've lost you've lost me
Can't find you anywhere
You said you'd been
Living without you is hard for me to do
And I always wonder why
You have to go away
Living without you is hard for me to do
Living without you

You can't sing with a broken heart
You can't fly with a broken wing
But you can live with a love inside
You sure as hell can try
