Looking from my window above
It's the story of love
Can you hear me
Came back only yesterday
I'm moving farther away
Want you near me
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
Sometimes when I think of her name
When it's only a game
And I need you
Listen to the words that you say
It's getting harder to stay
When I see you
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
This is gonna take a little time
And I wonder what's mine
I can't take no more
Wondering if you'll understand
It's just the touch of your hand
Behind a closed door
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
