In the hallway of Roosevelt High School
Michael and Susan arm and arm
Nobody looked for nothing different
Nobody looked for nothing new
We thought they'd never fade
But time it turns a page
Family business kept him right at home
Her brains took her far away
Made arrangements to meet each other
Holidays Saturdays
He watched her drive away
And time it turned a page
Do we stay together or do we say good-bye
Do we keep the promises we made
When we were young
Do we let time change us,
Or does it keep us in
Do we do we do we do we do we do we
Stand
The fear that turned inside her was
Will I be left all alone
The fear that turned inside him was
Will I be left all alone
And do we stay together
Or do we say good-bye
Do we keep the promises we made
When we were young
Do we let time change us,
Or does it keep us in
Do we do we do we do we do we do we
Stand
