Oh yeah come on now  
Uh-uh. now people see  
Me a certain way yeah.  
But when they see me as  
Not the girl from princess  
Diaries well listen to this

(Chours)

You just gotta let be who I'am  
Respect me for the way I'am  
Because it's who I'am and the person  
I will always be.

So please don't try to  
Change cause you never can(oh Never can)  
So just remember when you see me  
In that movie Havoc yeah I'm just  
Being ohhh

(chours)

You just gotta let be who I'am  
Respect me for the way I'am  
Because it's who I'am and the person  
I will always be.

Now I know I've done  
Somethings I regret but  
I know it's just part of the  
Way I am and I ain't gonna ever  
No never gonna change

Never Never Never gonna change oooh  
Never Never Never gonna change

Never Gonna Change The Way I am.
