You better think(think) think about what you're trying to
do to me
Yeah think(think, think), let your mind go, let yourself
be free

Let's go back, let's go back, let's go way on way back
then
I didn't even know you, you couldn't have been to much
more than ten
I ain't no psychiatrist, I ain't no doctor with degree
But it don't take too much high IQ's to see what you're
doing to me

You better think(think) think about what you're trying to
do to me
Yeah, think think, think), let your mind go, let yourself
be free

Freedom(freedom), freedom(freedom), freedom, ooh
freedom yeah

Hey! Think about it
You! Think about it

There ain't nothing you could ask I could answer you
but I won't(I won't)
But I was gonna change, but I'm not, if you keep doing
things I don't

You better think(think) think about what you're trying to
do to me yeah
Let(let) your mind go, let yourself be free

You need me(need me) and I need you(don't you know)
Without each other there ain't nothing people can do
ooh

Freedom(freedom), freedom(freedom), freedom, ooh
freedom
Freedom(freedom), freedom(freedom), freedom, ooh
freedom

You better think
