when I oh yeah first  
met you I never thought  
that you ooo would be my  
first love but now I know  
that I am ooh

Chours  
Crazy In love with you  
Crazy about the things you do  
Crazy about the way you and talk to  
me but most of all oh I'm Crazy about  
you.

Now boy I wanna go alit  
bit further take to the next  
level cause I feel that I wanna  
be with you the rest of my life  
yeahhhh

Chours  
Crazy In love with you  
Crazy about the things you do  
Crazy about the way you and talk to  
me but most of all oh I'm Crazy about  
you.

2nd Chours  
Crazy about you  
Crazy about the way that you move  
Crazy about the way you talk and say  
those sweet sweet words to me but boy  
most of all I'm Crazy about You..... yeahhh

Crazy In Love With You.
