Do not forsake me  
Oh, my darlin', do not leave me  
'Cause I'm headed for disaster  
If you get on that train

I think I'm goin' down slowly  
Yes, I think I'll lose control  
You crucify my love  
You terrorize my soul

And I, I want you back  
I, I want you back

Things are strange  
I can't hardly think  
I can't hide my emotion  
I can't hold my drink

I wanna touch your skin  
I wanna touch yourself  
I wanna love everybody  
But I, I don't love myself

'Cause I, I want you back  
I, I want you back

I want us to be real  
I want us to be strong  
I want us to be sung  
In a true love song

Na na, na na, na  
Na na, na na, na  
Na na, na na, na  
Na na, na na, na

'Cause I, I want you back  
I, I want you back  
I, I want you back

I, I want you back  
I, I want you back

I, I want you back
