Allegheny Moon, I need your light
To help me find romance tonight
So shine - shine - shine

Allegheny Moon, your silver beams
Can lead the way to golden dreams
So shine - shine - shine

High among the stars, so bright above
The magic of your lamp of love
Can make him mine

Allegheny Moon, it's up to you
Please see what you can do
For me - and for my one and only love

(Shine - shine - shine on tonight)
(Shine - shine - shine)

High among the stars, so bright above
The magic of your lamp of love
Can make him mine

Allegheny Moon, it's up to you
Please see what you can do
For me, and for my one and only love

For me, and for my one and only love

(Shine - shine - shine on tonight)
(Shine - shine - shine on tonight)
(Shine - shine - shine on tonight)
(Shine - shine - shine on tonight)
