I, I was the lonely one
Wondering what went wrong
Why love had gone
And left me lonely

I, I was so confused
Feeling like Iâ€™d just been used
Then you came to me
And my loneliness left me

I used to think I was tied to a heartache
At once the heartbreak, but now that Iâ€™ve found you

Even the nights are better
Now that weâ€™re here together
Even the nights are better
Since I found you, whoa
Even the days are brighter
When someone you loveâ€™s beside ya
Even the nights are better
Since I found you

You, you knew just what to do
Cos you had been lonely too
And you showed me how
To ease the pain

And you did more than mend a broken heart

Cos now youâ€™ve made a fire start
And I can see
That you feel the same way

I never dreamed thereâ€™d be someone to hold me
Until you told me and now that Iâ€™ve found you

Even the nights are better
Now that weâ€™re here together
Even the nights are better
Since I found you, whoa
Even the days are brighter
When someone you loveâ€™s beside ya

Even the nights are better
Since I found you

Even the nights are better
Now that we're here together
Even the nights are better
Since I found you, whoa
Even the days are brighter
When someone you love's beside ya
Even the nights are better
Since I found you
