People smile and tell me I'm the lucky one
And we've just begun, I think I'm gonna have a son
He will be like him and me, as free as a dove
Conceived in love, the sun is gonna shine above

And even though we ain't got money
I'm so in love with ya honey
Everything'll bring a chain of lo-o-o-o-ve
And in the mornin' when I rise
Bring a tear of joy to my eyes
And tell me everything's gonna be all right

Love a guy who holds the world in a paper cup
Drink it up, love him and he'll bring you luck
And if ya find he helps your mind, better take him ho-
me
Yeah 'n' dontcha live alone, try to earn what lovers own

And even though we ain't got money
I'm so in love with ya honey
Everything'll bring a chain of lo-o-o-o-ve
And in the mornin' when I rise
Bring a tear of joy to my eyes
And tell me everything's gonna be all right

[Instrumental Interlude]

And even though we ain't got money
I'm so in love with ya honey
Everything'll bring a chain of lo-o-o-o-ve
And in the mornin' when I rise
Bring a tear of joy to my eyes
And tell me everything's gonna be all right
