Hush little baby, don't say a word
Papa's gonna buy you a mockin' bird
And if that mockin' bird won't sing
Papa's gonna buy you a diamond ring
And if that diamond ring is brass
Papa's gonna buy you a lookin' glass
And if that lookin' glass gets broke
Papa's gonna buy you a billy goat
And if that billy goat won't pull
Papa's gonna buy you a cart and bull
And if that cart and bull turn over
Papa's gonna buy you a dog named Rover
And if that dog named Rover won't bark
Papa's gonna buy you a horse and cart
And if that horse and cart fall down
You'll still be the sweetest little baby in town

Sleep child, and when you do
Dream a dream to drift you through the night
that lingers through the day

Tonight,
if dreams are few
I'll sing this lullaby for you
Sleep child, for dreams always come true

Lullaby and goodnight, may sleep softly surround you
While your dreams fill your eyes with a melody of love
May the moonlight embrace you
The starlight caress you
May the sunlight still sing you this lullaby of love
Ladada ladada ladaladadalada
