Hush, little baby, don't say a word.
Papa's gonna buy you a mockingbird

And if that mockingbird won't sing,
Papa's gonna buy you a diamond ring

And if that diamond ring turns brass,
Papa's gonna buy you a looking glass

And if that looking glass gets broke,
Papa's gonna buy you a billy goat

And if that billy goat won't pull,
Papa's gonna buy you a cart and bull

And if that cart and bull turn over,
Papa's gonna buy you a dog named Rover.

And if that dog named Rover won't bark.
Papa's gonna to buy you and horse and cart.

And if that horse and cart fall down,
You'll still be the sweetest little baby in town.

Sweet child and when you do dream a dream to get
you through The night but lingers through the day,
tonight dreams are filled ill Sing this lullaby for you
sweet child for dreams always come true

lullaby and good night may sleep softly surround you
while your Dreams fill your eyes melody of love may
the moon light embrace You the star light carress you
may the sun light still sing you the Melody of love
