Dreaming, I must be dreaming  
Or am I really lying here with you?  
Baby, you take me in your arms  
And though I'm wide awake  
I know my dream is coming true

And oh I just fall in love again  
Just one touch and then it happens every time  
There I go I just fall in love again  
And when I do, I can't help myself  
I fall in love with you

Magic, it must be magic  
The way I hold you when

the night just seems to fly  
Easy for you to take me to a star  
Heaven is that moment when  
I look into your eyes

And oh I just fall in love again  
Just one touch and then it happens every time  
There I go I just fall in love again  
And when I do  
I can't help myself  
I fall in love with you  
Can't help myself  
I fall in love with you
