How many arms have held you
And hated to let you go
How many, how many, I wonder
But I really don't want know

And how many lips have kissed you
And set your soul aglow
How many, how many, I wonder
But I really don't want to know

So always make me wonder
Always make me guess
And even if I ask you
Darling, don't confess

Just let it remain your secret
For darling, I love you so
No wonder, no wonder, I wonder
But I really don't want to know

So always make me wonder
Always make me guess
Even if I ask you
Darling, don't confess

Just let it remain your secret
For darling, I love you so
No wonder, no wonder, I wonder
But I really don't want to know
