IF I EVER FALL IN LOVE AGAIN

(Kenny)

You, I know you're everything that I've been looking for.
And I, I look into your eyes and could not ask for more.

(Anne)

So it's only fair to lay it on the line.
Hold on, I'm gonna need a little time

(Duet)

But if I ever fall in love again
Sometime when this broken heart can mend.
I know it's gonna be with you,
You're the one to pull me through, though I don't know
when.
If I ever fall in love again.

(Anne)

Scared, yes I'm scared to fly, it's such a long way
down.
And yet, if you'll just trust in me, I'm sure I'll come
around.

(Kenny)

And I know when you're hurt, it's hard to let someone
inside,

(Duet)

In your arms I feel I'm ready now to try.

(Duet)

So if I ever fall in love again
Sometime when this broken heart can mend.
I know it's gonna be with you,
You're the one to pull me through, though I don't know
when.
If I ever fall in love again.

(Anne)

I'd be a fool to ever let you go.

(Duet)

You're the best thing in my life,
but I know I've gotta take it slow...oow...

(Music bridge)

(Kenny)

Oh, I know it's gonna be with you...
You're the one to pull me through, though I don't know
when.

(Duet)

If I ever fall in love again
If I ever fall in love again
