I'm strong, I'm sure, I'm in control
a lady with a plan
Believing that life is a neat little package
I hold in my hand
I've got it together, they call me
"the girl who knows just what to say and do"
Still I fumble and fall, run into the wall,
'cause when it comes to you, I'm

Chorus

Just another woman in love, a kid out of school
A fire out of control, just another fool
You touch me and I'm weak, I'm a feather in the wind

And I can't wait to feel you touching me again
With you I'm just another woman
just another woman in love

So pardon me if I should stare
and tremble like a child
That "wanting you" look all over your face
is driving me wild
I'm just what you make me
can't wait 'till you take me
and set all my feelin's free
I know that you can, so come be my man
tonight I wanna be

Chorus 2x
