(Payne & Carroll)

Just one look and I fell so hard, hard, hard  
In love with you, oho oho  
I found out how good it feels, feels feels  
To have your love, ohp, oho.

Say you will, will be mine, mine, mine  
Forever and always, oho, oho  
Just one look and I knew, knew, knew  
That you were my only one, ohhhohhh

I thought I was dreaming  
But I was wrong, yeah, yeah, yeah  
Oh, but I'm gonna keep on scheming  
Til I can make you, make you my own.

Can't you see that I really care, care, care  
Without you I'm nothin' oho, oho  
Just one look and I know, know, know  
I'll get you some day, oho, oho.

Just one look, that's all it took  
Just one look, that's all it took  
Yeah, just one look, that's all it took  
Just one look, that's all it took  
Yeah, just one look, that's all it took  
Just one look, that's all it took  
Yeah, just one look, that's all it took  
Just one look, that's all it took...
