There must be thousands of people out there-ere
Who search for love and find more than their share-are
They seem to fall into it naturally
But you know that doesn't apply
To me-ee-ee

Some fools (some fools) get lucky
The first time out take a chance on love and they wi-in
But some fools like me, they never learn
They keep on playin' the game
And it turns out the same
Oh when will it ever be
Lucky-y me

I got that butterfly feeling insi-ide
With you I knew that love had fin'lly arri-ived
Now like all the rest you say-ay goodbye
Leavin' me alone to keep wondering

Why-y-ySome fools (some fools) get lucky
The first time out take a chance on love and they wi-in
But some fools like me, they never learn
They keep on playin' the game
Though it turns out the same
Oh when will it ever be

Oh my heart aches impatiently-y-y
Oh-oh when will it ever beLucky-y me
When will it ever beLucky-y me...
