There must be thousands
Of people out there
Who search for love and
Find more than their share

They seem to
Fall into it naturally
But you know that
Doesn't apply to me

Some fools (some fools)
Get lucky the first time out
Take a chance on love
And they win

But some fools like me
They never learn
They keep on playing the game
And it turns out the same

Oh, when will it ever be
Lucky me

I got that butterfly feeling inside
With you, I knew that love
Had finally arrived

Now like all the rest
You say goodbye
Leaving me alone
To keep wondering why

Some fools (some fools)
Get lucky the first time out
Take a chance on love
And they win

But some fools like me
They never learn
They keep on playing the game
Though it turns out the same
Oh, when will it ever be

Oh, my heart aches impatiently
Oh, oh, when will it ever be
Lucky me

When will it ever be
Lucky me
