Hush, little baby, don't say a word  
Papa's gonna buy you a mocking bird  
And if that mocking bird don't sing  
Papa's gonna buy you a diamond ring  
And if that diamond ring is brass,  
Papa's gonna buy you a looking glass  
And if that looking glass gets broke  
Papa's gonna buy you a billy goat  
And if that billy goat won't pull,  
Papa's gonna buy you a cart and bull  
And if that cart and bull turn over,  
Papa's gonna buy you a dog named rover  
And if that dog named rover don't bark,  
Papa's gonna buy a horse and cart  
And that horse and cart fall down,  
You'll still be the sweetest baby in town

Sleep child and when you do  
Dream a dream to drift you through  
The night that lingers through the day  
Tonight, dreams of you  
I'll sing this lullaby for you  
Sleep child, for dreams always come true.  
Lullaby and goodnight,  
May sleep softly surround you  
while your dreams fill your eyes  
With a melody of love  
May the moonlight embrace you  
The starlight caress you  
May the sunlight still sing you  
This lullaby of love

Dadadaa...dadadaaa,,,
