I'll always remember the song they were playing,
The first time we danced and I knew.
As we swayed to the music and held to each other,
I fell in love with you.

Could I have this dance for the rest of my life?
Would you be my partner, every night?
When we're together it feels so right,
Could I have this dance for the rest of my life?

I'll always remember that magic moment,
When I held you close to me.
As we moved together, I knew, forever,
You're all I'll ever need.

Could I have this dance for the rest of my life?
Would you be my partner, every night?
When we're together it feels so right,
Could I have this dance for the rest of my life?

Could I have this dance for the rest of my life?
Would you be my partner, every night?
When we're together it feels so right,
Could I have this dance for the rest of my life?
