Like a candle burnin' bright
Love is glowing in your eyes
A flame to light our way
That burns brighter every day
Now I have you
Nobody loves me like you do

Like a leaf upon the wind
I could find no place to land
I dreamed the hours away
And wondered every day
Do dreams come true?
Nobody loves me like you do

What if I never met you?
Where would I be right now?
Funny how life just falls
In place somehow

You touched my heart in places

That I never even knew
Nobody loves me like you do

I was words without a tune
I was a song still unsung
A poem with no rhyme
A dancer out of time
But now there's you
Nobody loves me like you do

What if I never met you?
Where would I be right now?
Funny how life just falls
In place somehow

You touched my heart in places
That I never even knew
Nobody loves me, nobody loves me
Nobody loves me like you do
Nobody loves me like you do
