We'll be shadows in the moonlight
Darlin', I'll meet you at midnight
Hand and hand we'll go
Dancin' through the Milky Way

And we'll find a little hideaway
Where we can love the whole night away
We'll be shadows in the moonlight
Right up 'til the light of day

Ooh, the night is young and baby, so are we
Glad, I'm gonna make you glad you came
Oh, you won't need a thing
Just bring your love for me
And darlin', I will do the same

We'll be shadows in the moonlight
Darlin', I'll meet you at midnight
Hand and hand we'll go
Dancin' through the Milky Way

Do you want me to think
Just bring your love for me
You'll be glad, you came
Just wait and see

We'll be shadows in the moonlight
Darlin', I'll meet you at midnight
Hand and hand we'll go
Dancin' through the Milky Way

And we'll find a little hideaway
Where we can love the whole night away
We'll be shadows in the moonlight
Right up 'til the light of day
