Well there won't be no stars  
Coming out in the sky  
Tonight when my baby walks by  
They know that they can't hold a  
Candle to the look in his eyes

Quand je vois ton visage,  
Dans n'importe quel langage  
Je dis je t'aime, je dis je t'aime, je t'aime, Marie

Now I know that I'm not  
The wisest of men  
I guess mine's the luck of a fool  
But I found all the gold that I'll ever need  
Lookin' at you

Quand je vois ton visage,  
Dans n'importe quel langage  
Je dis je t'aime, je dis je t'aime, je t'aime, Marie

When the old people sit at their windows

I'm sure they'll be happy to see  
By the smile in our eyes  
True love hasn't died in Paris

Quand je vois ton visage,  
dans n'importe quel langage  
Je dis je t'aime, je dis je t'aime, je t'aime, Marie

When the time comes for cards  
With other old friends  
Thinkin' 'bout what I've been through  
Well I know that my life was important  
When I think of you

Quand je vois ton visage,  
Dans n'importe quel langage  
Je dis je t'aime, je dis je t'aime, je t'aime, Marie

Quand je vois ton visage,  
Dans n'importe quel langage

Je dis je t'aime, je dis je t'aime, je t'aime, Marie
