Through each life time - run rivers to cross  
What if there's no life line and you're sinking or lost  
Just believe in your direction  
Let your heart explore  
Cause you can't reach new horizons  
Standing on the shore

There are mountains - we need to climb  
But the mountains standing in our way are only in our  
minds  
And the risk of going nowhere  
Is the greatest risk of all  
So just listen to the voice that says  
I'll catch you if you fall

On the other side of doubt is faith  
On the other side of pain lies strength  
The journey may seem endless  
When You know the road is rough  
But on the other side of fear... is love

For such a long time I put my dreams aside  
The tides of change felt dangerous  
The mountains seemed too high  
But my dreams were slowly fading  
As time went quickly by  
So I took a breath with every step  
Never knowing I would find...

On the other side of doubt is faith  
On the other side of pain lies strength  
The journey may seem endless  
When You know the road is rough  
But on the other side of fear... is love

OhÃ¢â€šâ€š;On the other side of doubt is faith  
On the other side of pain lies strength  
The journey may seem endless  
When You know the road is rough  
But on the other side of fear... is love  
Ã¢â€šâ€š;on the other side of fear... is love
