Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I've got some feelin's on my mi-i-ind too
Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I'd like to have a song to si-i-ing to
Please let me in
Where you're singin' your-our song
And I'll just sit quiet
I won't try to sing along
You've got the warmest place
That I've ever-er found
Please let me in
A-and I won't make a sound
Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I've got some feelin's on my mi-i-ind too
Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I'd like to have a song to si-i-ing to
But don't you ask me
To give you a-a song
I won't know the words to use
I won't know where-ere they belong
But if you give me one of yours
I will make it my-y own
And it would be the sweetest so-ong
That I have ever known
Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I've got some feelin's on my mi-i-ind too
Hey-ey-ey-hey, hey-hey, hey, what abou-out me
I'd like to have a song to si-i-ing to
I'd like to have a song to si-i-ing to
